

PAY AS YOU GO ACCOUNT OFFLINE APPLICATION FORM

For assistance please contact the Customer Service Team
0345 850 1064 or email newcashaccounts@speedyservices.com

Dear Customer,

Unfortunately, the website service is currently unavailable outside of the UK. However, if you are still looking to open a pay as you go account with Speedy then there is a manual offline process whereby we can set up your account. This will involve you sending your details to Speedy via email. If you are happy to proceed in this manner, please follow the instructions below:

Individual account	Pay as you go account
Full name:	Full company name:
Full address including postcode:	Full address including postcode:
Mobile number:	LTD or LLP number: (anything else is an individual account)
Email address:	Email address (company):
	Registration No:
	TradePoint No:

To aid in the process of your account you will be required to upload two forms of identification.

- Primary - either a current driver's licence or passport
- Secondary - recent utility bill or similar with name and address or drivers' license if passport used in primary identification.

To submit your application, please send the required information by email to newcashaccounts@speedyservices.com ensuring that all identification has been attached.

By emailing any of the information above to Speedy you acknowledge that we are not responsible for the contents of your email during its transmission and you agree to the terms of our Privacy Notice found at <https://www.speedyservices.com/privacy-notice>

If everything received is correct and approved, we will set up your account and upload your identification onto our system and your account then be activated usually within 4 hours of your details being received.

As we currently don't have online facilities outside the UK, all transactions can be made by calling your local speedy branch.

Dublin 00353 1 830 1101
Walkinstown 00353 1 460 4638
Waterford 00353 (0) 5 1833 333

Regards
